GDP over different sectors of economics, with actual prices (with percentages)

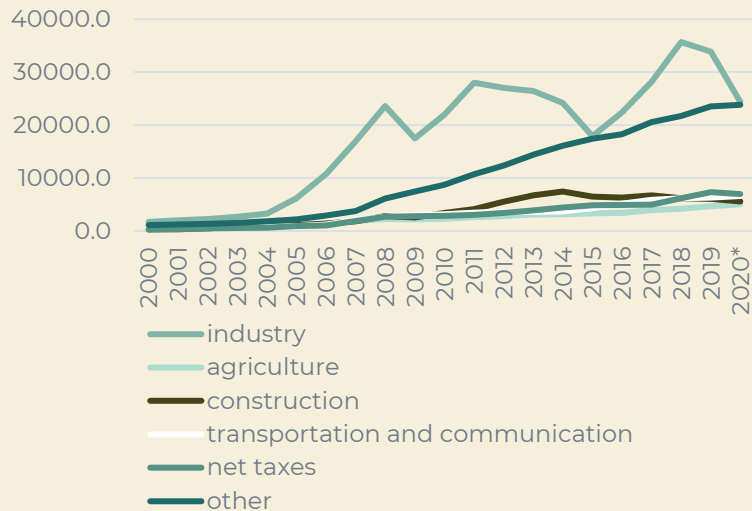

GDP over different sectors of economics, with actual prices (with percentages)

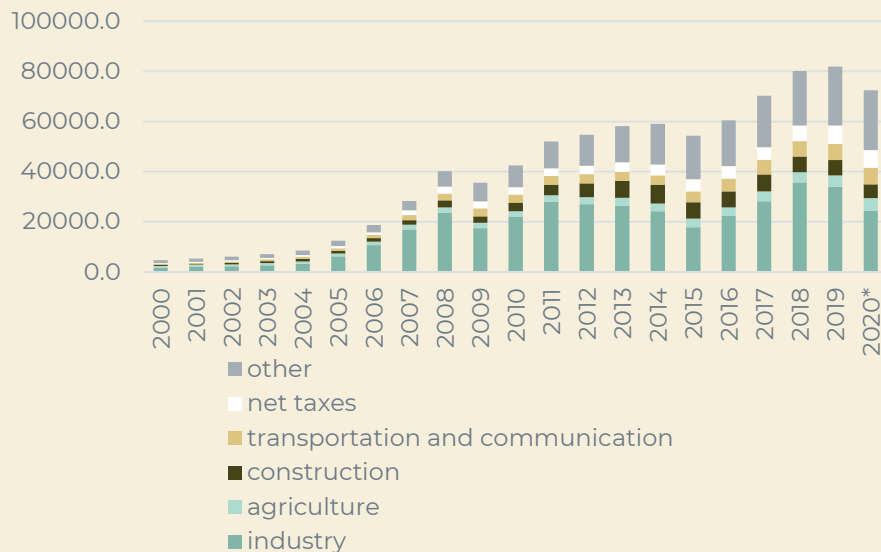

With mln manats

GDP over different sectors of economics, with actual prices (with mln manats)

GDP over different sectors of economics, with actual prices (with mln manats)

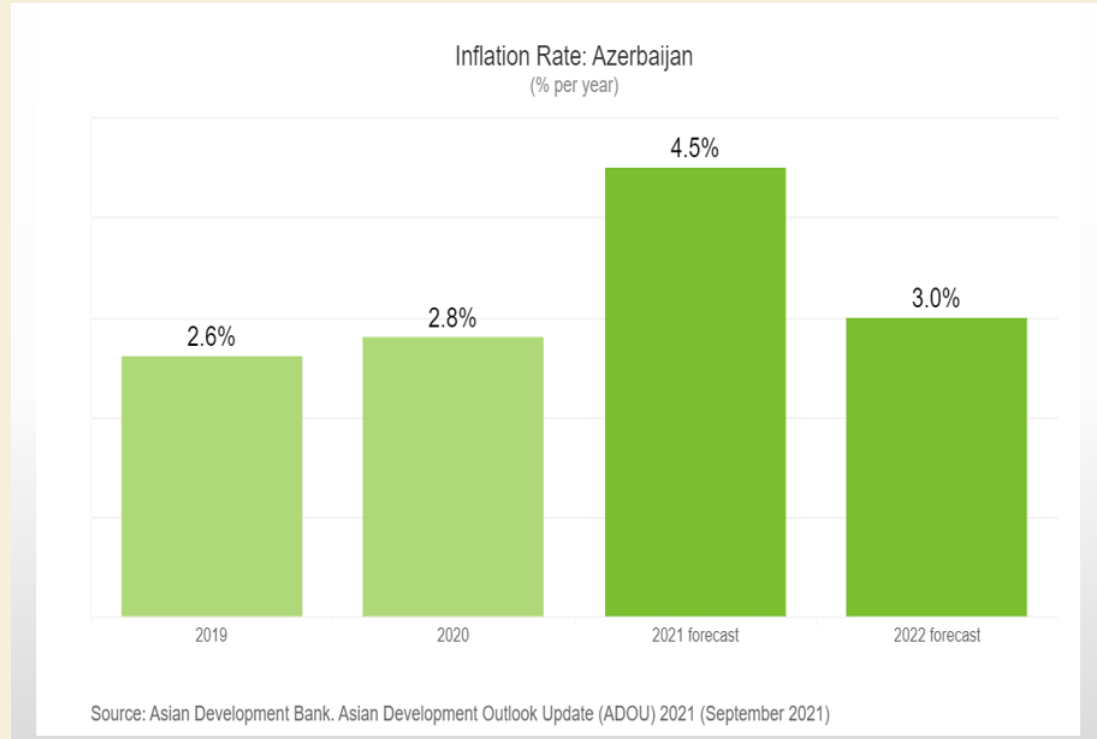

Inflation

04

Inflation

In lecture presentations:

Inflation

To be honest, we all know it's high

According to marja.az (which refers to State Committee of Statistics) , CPI based inflation in 2022 January in comparison with 2021 January was higher than 10%

Azərbaycanda böyük bahalaşma- İNFLYASIYA DAHA DA YÜKSƏLİB

Azərbaycanda illik inflyasiya 13%-ə yaxınlaşıb. Ərzaq inflyasiyası isə 17%-i keçib.

Inflation

Further we search, creppier it gets.

**Qiymətlər 7%-ə yaxın, gəlirlər isə
2,6 faiz artıb**

From 2020 to 2021
